4. Main Political Outcomes

The United Nations Environment Assembly

The United Nations Environment Assembly (UNEA) is the world's highest-level decision-making body on the environment. UNEA enjoys the universal membership of all 193 UN Member States and the full involvement of major groups and stakeholders. It gathers ministers of environment in Nairobi, Kenya every 2 years.

WHAT IS THE UN ENVIRONMENT ASSEMBLY?

Highest-level decision-making body on the environment

Convener of UN Member States, Civil Society and Business

Global platform for leadership on environmental policy

The Third Environment Assembly will focus on pollution

#BEATPOLLUTION
